

Shishukunj Model United Nations Conference 2018

October 5 - 7, 2018

Delegate Resources

Delegate resources are available for all to use for preparation for Shishukunj MUN 2018. Find them at www.shishukunjmun.com.

Rules of Procedure (ROP) Guides:

The delegates have been provided with guides for the MUN rules of procedures for their respective committees. These guides will equip the delegates with a comprehensive understanding of the committee flow. They will also help delegates to understand the mechanism through which they are to make a speech and raise points and the decorum that must be maintained in the committees through the duration of the conference.

There are two procedure guides available for delegates of UN committees and for delegates of committees. Delegates are required to be thorough with the procedures of their respective committees, as procedural aspects are central to an MUN conference.

It is compulsory for all delegates to refer to the procedure guides. Further clarifications regarding procedure will be made in the training session to be conducted on September 29, 2018.
